

Philadelphia, Feb'y 6: 1849.
Moses Thompson Esq.
Warden of Christ Church.

Dear Sir:

At a meeting of the Committee having charge of Christ Church Hospital, held last evening, the following resolution was adopted, and the Secretary instructed to send a copy of it to the Vestries of Christ Church and of St. Peter's Church.

Resolved, that the Managers of Christ Church Hospital recommend to the Vestries of Christ Church and St. Peter's, to unite in an application to the Legislature to obtain authority for the following purposes:

1st For authority to sell the Lot or Square of ground conveyed by Joseph Dobbins.

2nd. For authority to sell the small ground-rents devised by D. Hearsby and to re-invest the same in larger ground-rents, for the same purposes and under the same trusts as the present ground-rents.

In order to obviate the necessity of again applying to the Legislature, it is also recommended that at the same time application be made to the Legislature;

3rd. For power and authority to remove the:

: Hospital from its present location, when it
may be considered advisable to make such
removal: and also for power to sell the
Lot devised by D. Hearsley as a site for
the Hospital, and the adjoining property
since purchased for the same purpose".

Very Respectfully
James C. Stoddard
Secretary.

Dear Sir

Your favour of the 15th inst.
was received the present week, and
I regret the many duties, which
are consequent upon an ap-
proaching examination of the
Divinity Dept., as well as the an-
nual meeting of the Trustees
of our House, prevent me writing
as fully as I could wish at
this time - I shall hope to
address you, Sir, again soon
at length shortly.

Please accept our sincerest
thanks for the kindness again
shown us by the "Committee of
Visiting of Christ's Chh for the dis-
tribution of Chh collections," in
appropriating Fifty dollars
for Education at Nashotah Mission.

I enclose an acknowledgment
which may be published, or
retained as a receipt as you
deem proper.

Be assured, Sir, this voluntary
charity to a far distant mission,
has more benefit in it than
the simple value of the money.
It affords us evidence of grace
from above, else how should you
be led to the act. Our prayers
as well as our thanks are
for you & those whom you re-
present. And may we not
indulge the hope too, that
Nashotah & its Household
are remembered at the
Throne of Grace by you,
our fellow-members of the
Household of Faith. With great
respect I remain your Obedient
Servant for Christ

My dear Sir,

In compliance with the request contained in your note of the 2nd inst, I have looked at the steeple in Christ Church in reference to the painting of the dome, and I am decidedly of opinion that any dark band whatever around the steeple would seriously injure its effect; — it would destroy its unity, and, if the contrast of color is great, it would give the upper part, when seen from a distance, the appearance of having nothing to stand on.

I think that the steeple should, by all means, be all of one color, and I would suggest whether it would not be in better taste to make it a decided stone color. It looks far better now than it will when painted white; — it now stands out beautifully against the sky, and if it was twice as dark it would look twice as well.

I would also paint and sand all the outside woodwork of the building of the same dark stone color, so as to avoid white altogether.

Very Respectfully,
Chas. Walter
